

District 23 Toastmasters

Serving New Mexico, West Texas, and the Oklahoma Panhandle

Greetings from District 23 of Toastmasters International,

We believe your organization's success depends largely on how well your employees communicate – with each other as well as with stakeholders. The effects of a poorly run meeting or an ineffective sales presentation are long-term and expensive. Do you have issues with. . .

- How well do your employees convey their expertise to potential stakeholders?
- Employees unable to lead meetings efficiently?
- Can your employees offer constructive feedback and diplomatically to businesses with a wide range of consumers?
- Your employees not being good communicators, so you don't feel confident promoting them to a leadership position? (Doesn't every organization need employees with leadership potential?)
- Employees could continually refine their communication and leadership skills.

This is where District 23 Toastmasters and Toastmasters International can assist your organization. Think of it as an onsite training class for busy professionals where employees meet to sharpen their communication and leadership skills in a supportive setting with their coworkers. The cost is minimal and the benefits long-lasting.

Toastmasters International is a nonprofit educational organization that teaches public speaking and leadership skills through a worldwide network of meeting locations through community and corporate clubs. We help people of all backgrounds become more confident in front of an audience. You and your employees can have the opportunity to see our District members in action at District 23's Conference. It is scheduled on April 12 and 13, 2024, in Lubbock, Texas. Up to three of members of your organization can attend for free AND you have great opportunity of showcase your company to members in New Mexico, panhandle of Oklahoma, and all of west Texas by being a sponsor for our conference.

You have a choice of one of the following packages:
